To whom it may concern,

I am writing to recommend Signal 88 for your security needs. We have had the pleasure of working very closely with them. Their supervisors and officers are very attentive and polite, yet assertive. They check in with us daily to make sure our areas of concern are being met and work promptly to fix the problems we were having.

Our crime rate has dropped substantially. According to the Sheriff's Department the calls from Arbor Oaks have dropped from an average of 5-8 per night to 5 per month. We truly believe that Signal 88 was an integral part in changing the face of our community.

Sincerely,

Jennifer Buscemi
